Music and lyrics by Julian Basurto, Music and lyrics by Teddy Walsh

Verse 01:

When I look up
I think I see a younger part of me
Floating all alone on rock
In space
Petit prince
Je te souviens

Pre-Chorus 01:

Ooh ooh ooh ooh
Swallowed the key to my heart
You'll never get close, no

Ooh ooh ooh ooh
Flying alone in the dark
You'll never get far

Chorus 01:

You hide and isolate yourself
You cry and ask for no one's help at all
Exposed to so much pain
You're waiting for you heart
To heal back up
Heal back up

You hide and isolate yourself
You cry and ask for no one's help at all
You hide out from the light
You're hiding all your light
From this world
From this world
Ooh

Post-Chorus 01:

Je te souviens (I remember you)
Je te souviens (I remember you)

Ne te pleure pas (Don't you cry)
Je te souviens (I remember you)

Je te souviens (I remember you)

Je te souviens (I remember you)

Je te souviens (I remember you)

Ne te pleure pas (Don't you cry)

Je te souviens (I remember you)

Je te souviens (I remember you)

Verse 02:

If I could make you see

Your beauty and all you could be

I'd hold you close and keep you safe all night

Petit Prince

Je te souviens

Pre-Chorus 02:

Ooh ooh ooh ooh

Swallowed the key to my heart

You'll never get close no

Ooh ooh ooh ooh

But your scars will heal up

Please remember that now

Chorus 02:

You hide and isolate yourself

You cry and ask for no one's help at all

Exposed to so much pain

You're waiting for you heart

To heal back up

Heal back up

You hide and isolate yourself

You cry and ask for no one's help at all

You hide out from the light

You're hiding all your light

From this world

From this world

Ooh

Je te souviens (I remember you)

Je te souviens (I remember you)

Ne te pleure pas (Don't you cry)
Je te souviens (I remember you)
Je te souviens (I remember you)

Je te souviens (I remember you)
Je te souviens (I remember you)

Ne te pleure pas (Don't you cry)

Bridge:

All my life I thought
I was alone in the dark
Never felt you before

Petit prince, je souviens
Mets ta main la mienne
Won't leave you again
Oh no no no
