

## **Already Gone: Lyric Sheet**

Released on Spotify and streaming platforms November 17th 2024

Music and Lyrics by Julian Basurto, Music by Daniel Salazar

### **Verse 01:**

Don't you know I'm  
Already gone?  
I need someone to  
Hold on to

Who are you?  
Not the person I loved  
Who are we?  
Now that we lost us

### **Pre-Chorus 01:**

I wander round in fucking circles  
Every day, every nighttime

Running away from all the  
Shadows in my mind  
I can't avoid it this time

### **Chorus 01:**

Baby we could  
Could of had it all

But now darling you  
Shouldn't have waited  
Way too long

Now you see I'm already gone  
Already gone  
Mmhmmm  
Already gone

### **Verse 02:**

There was a love  
But it ain't here now  
Yeah

What is lost  
Ain't always found

**Pre-Chorus 02:**

I wander round in fucking circles  
Every day, every nighttime

Running away from all the  
Shadows in my mind  
I can't avoid it this time

**Chorus 02:**

That baby we could  
Could of had it all

But now darling you  
Shouldn't have waited  
Way too long

Now you see I'm already gone  
Already gone  
Mmhmmm  
Already gone!

**Post-Chorus:**

Don't you see that I ?  
Don't you see that I ?  
Don't you see that I'm?  
Already gone!

Don't you see that I ?  
Don't you see that I ?  
Don't you see that I'm?  
Already gone!

Don't you see that I ?  
Don't you see that I ?  
Don't you see that I'm?  
Already gone!

Don't you see that I ?  
Don't you see that I ?  
Don't you see that I'm?

**Chorus 03:**

Baby we could  
Could of had it all

But now darling you  
Shouldn't have waited  
Way too long

Now you see I'm already gone  
Already gone  
Mmhmmm  
Already gone!
