Music and lyrics by Julian Basurto and Ellie Stimmel, Music by Brendan Keenan

### **Verse 01:**

Love is fickle flower  
Tempting me mmmm  
I pick the petals one by one  
Til I see

### **Pre-Chorus 01:**

Us dancing in the dark  
You hold me in the moonlight  
Searching for peace  
But you caught me in flight or flight  
I don't care how  
I don't care why  
I need you tonight

### **Chorus 01:**

Ooh ooh ooh  
I found you in the moon  
Ooh ooh ooh  
I know it's wrong I don't wanna be  
Burnt by our past, let's  
Leave it all behind  
What if I could be yours?  
You could be mine  
Tonight

### **Verse 02:**

Fate is a wild beast  
I cannot tame  
He kisses me  
Then throws me to the fire again

### **Pre-Chorus 02:**

Running through the dark  
I find you in the moonlight  
Searching for peace  
But you got me in flight or flight  
Don't know how  
You get me so high

**Chorus 02:**

Ooh ooh ooh  
I found you in the moon  
Ooh ooh ooh  
I know it's wrong I don't wanna be  
Burnt by our past, let's  
Leave it all behind  
What if I could be yours?  
You could be mine  
Tonight

**Bridge:**

I wanna hold you but I can't anymore  
I wanna scream at the top  
At the top of my lungs

Don't leave me drowning falling deeper in love  
Reach out to touch you but it's  
Never enough  
Never enough

**Chorus 03:**

Ooh ooh ooh  
I found you in the moon  
Ooh ooh ooh  
I know it's wrong I don't wanna be  
Burnt by our past, let's  
Leave it all behind  
What if I could be yours?  
You could be mine  
Tonight

**Chorus 04:**

Ooh ooh ooh  
I found you in the moon  
Ooh ooh ooh  
I know it's wrong I don't wanna be  
Burnt by our past, let's  
Leave it all behind  
What if I could be yours?  
You could be mine  
Tonight
